Meredith,

FYI - Arnold & Porter just submitted a very broad FOIA request for rodenticide regulatory records.

Sharon McBride is my lead. We will be calling the requester tomorrow concerning the scope of the request, fees, and expectations for completion.

We may need assistance from your branch for records we can't access ourselves through OPPIN, HED archives, etc. Let me know if you want someone from your branch to sit in on the call.

Thanks  
Calvin
